SOUTH CAROLINA

DOCKET NO. 90-588-G - ORDER NO. 95-1600

OCTOBER 17, 1995

[illegible]

This matter comes before the Public Service Commission of South Carolina (the Commission) on the October 6, 1995, Request of South Carolina Pipeline Corporation (SCPC, Pipeline or the Company). SCPC requests that the time for filing briefs in this docket be set thirty (30) days from the date that all hearing transcripts are available to the parties.

The Commission's Executive Director reports that transcripts in this matter will probably not be available until very late 1995 or the beginning of 1996. Therefore, we must deny SCPC's Request in this regard. In order to promptly dispose of this matter, we hold that briefs must be filed by November 20, 1995, even though transcripts will not be available to the parties. In doing this, we waive the thirty (30) day limitation Provisions of Regulation 103-875 (A). We believe that this is necessary for appropriate

disposition of this case. This Order shall remain in full force and effect until further Order of the Commission.
